le No 30 of 193 2 — General and Revenue Secretariat

The Sanitary Engineer was consulted in the matter. He considers that it would hardly be possible to find the money required out of provision under 30 Grants for public improvements - 3 Improvements in towns and minor Municipalities. I discussed with him from a revised list of works made out, the available balance of Rs 40 000 is only Rs 81/81-

15/ The Sanitary Engr considers it impossible for first to give any grant out of the reserve under item Imp: Grant to the Hanwella Mkt for the cycle and other improvements proposed. He of course may perhaps be informed accordingly. Draft for orders with respect to para 11 supra

7/2 [out of 21 items refd to in the statement of the Sanitary Engr, items nos 12, 18 & 19 have not yet been sanctioned. Proposals have been recd in respect of other items, water supply item no 18 including the two amounts still available is Rs 8 74½]
